September 30, 2009

Dear Mater Dei High School Parent,

Great news! There is still time to register for the Mater Dei Prepaid Campus Card. Parents can now set-up a Campus Card Account at any time during the school year!

Simply go to www.myschoolaccount.com to establish your student's prepaid campus card account. Pay the \$40 annual fee plus the amount that you would like to deposit onto your student's account. You will need your child's student ID number to complete the sign-up process. You can find this number either on your child's ID card or on their Edline account.

With the safe and convenient Mater Dei Prepaid Campus Card, your student will be able to make purchases at the cafeteria during lunch by simply scanning their Student ID Card. You will be able to monitor purchases and reload your student's account by returning to www.myschoolaccount.com at your convenience.

Benefits of the Mater Dei's Prepaid Cashless Campus Account:

- Safer than Cash – No more empty pockets at the cashier
- Parental Control – Can only be spent on campus
- Convenient – No more last minute fumbling for lunch money
- Less Expensive – When was the last time you got change back for that \$20?
- Encourages Better Food Choices – Now that you can monitor food choices
- More Efficient – Staff can spend time, money and energy on educating your kids

As a bonus, you will receive exclusive discounts and special offers from top retailers such as Apple, GNC, Sports Authority and many more. Look for special offers and discounts of up to 50% from featured retailers whenever you visit www.myschoolaccount.com.

It is our goal to have all students using the Prepaid Campus Card during the 2009-2010 school year. So, register today!
